

PROPERTY/DEED FRAUD SCHEMES ARE ON THE RISE

Many County Recorder's Offices in the State of Arizona now have a program available to property owners located within that county. This program allows you to register your name for alerts to be sent to you when a document has been recorded with your name on it. We are currently aware of 4 Counties that have this program. To register and find out more information about these programs, visit the links below.

<https://yavapaicountyaz-recorder.tylerhost.net/recorder/eagleweb/fraudGuardSignup.jsp>

If you are curious about information available to you in other Counties, you are encouraged to contact the recorder's office in the county where you own property to find out more about what programs they may have available. For your convenience, we have provided contact information for all the County Recorder's Offices in Arizona.
